

ST. JUDE RIDE TO MEMPHIS, TENNESSEE

SEPTEMBER 15-17, 2016

We are going to be riding our motorcycle for the KIDS OF ST. JUDE. We raise funds and build awareness of the St. Jude Children's Research Hospital in Memphis and the St. Jude Midwest affiliate located in Peoria, Il. Our goal is to financially help to further their mission of advancing cures and find preventions or childhood cancers.

Last year our Princeton group of 43 raised \$92,000.00 of the \$623,750.00 raised by the total group. In 8 years the St. Jude Motorcycle group has raised over \$3.7 million.

Treatments invented at St. Jude have helped push the overall childhood survival rate from 20% to more than 80% since it opened more than 50 years ago.

St. Jude is the premier Children's Research Hospital in the world. Thanks to donors like you, no family ever receives a bill from St. Jude for treatment, travel, housing or food – because all a family should worry about is helping their child live.

Please help us make a difference and send us your contribution today.

Make checks payable to ST. JUDE RIDES.

If you have any questions call or e-mail us. Thank you for your generosity!!

Sincerely,

Mary and Jerry Sexton
